The Gardai will be attending tonight's meeting to talk about crime prevention

The chairman and the committee wishes all our members and especially all our new members a happy new year and safe motoring for 2018. Hopefully we will see you all at our car runs and events throughout the year.

12 cars attended the Christmas run on December 27th. We met outside Bellingham Castle, stopped off in Dromiskin at the memorial to Fr Nicholas Callan and finished in Ardee where complimentary refreshments were provided by the owners of Bliss Cafe.
