

North East Vintage Car Club Ltd.

Sunday 14th of April, Silent Valley Run.

The Silent Valley Reservoir was built to gather water from the Mourne Mountains and is the main water supply source for most of County Down and a large part of Belfast.

Ringed by mountains, 'The Valley', located within the Mourne Area of Outstanding Natural Beauty, houses beautiful parkland, lakes and a pond. It attracts around 50,000 visitors per year most of whom come to enjoy the peace and solitude of this mountain area with its unique landscapes and varied wildlife.

Northern Ireland Water has provided a number of visitor facilities at the site including an information centre, conference centre and education centre - all housed in two old colonial style bungalows and enjoying delightful views over the parkland.

Here is our itinerary

We are taking the ferry from Greenore to Greencastle.

- 11:00 Meet and assemble at Greenore Ferry ramp. The ferry normally costs €22.50 return but we have got a special NEVCC price of €15 return per car, incl passengers.
- 11:30 Ferry departs
- 11:50 Arr Greencastle
- 12:30 Arr Silent Valley visitor park. Please note there is an admission charge of £4.50 sterling per car into the park. Bring a picnic with you as there are lots of lovely areas to sit and have a picnic. The walks are beautiful and we may just stay and have a leisurely time enjoying the views.

If the mood takes us and the weathers kind, we can drive up to Newcastle along the coast for a bit of sightseeing

- 18:30 Arr Greencastle
 - 19:00 Ferry departs
 - 19:20 Arr Greenore, run ends.
- (These are suggested times only for our return)
